

BIG CORKSCREW ISLAND REGIONAL PARK

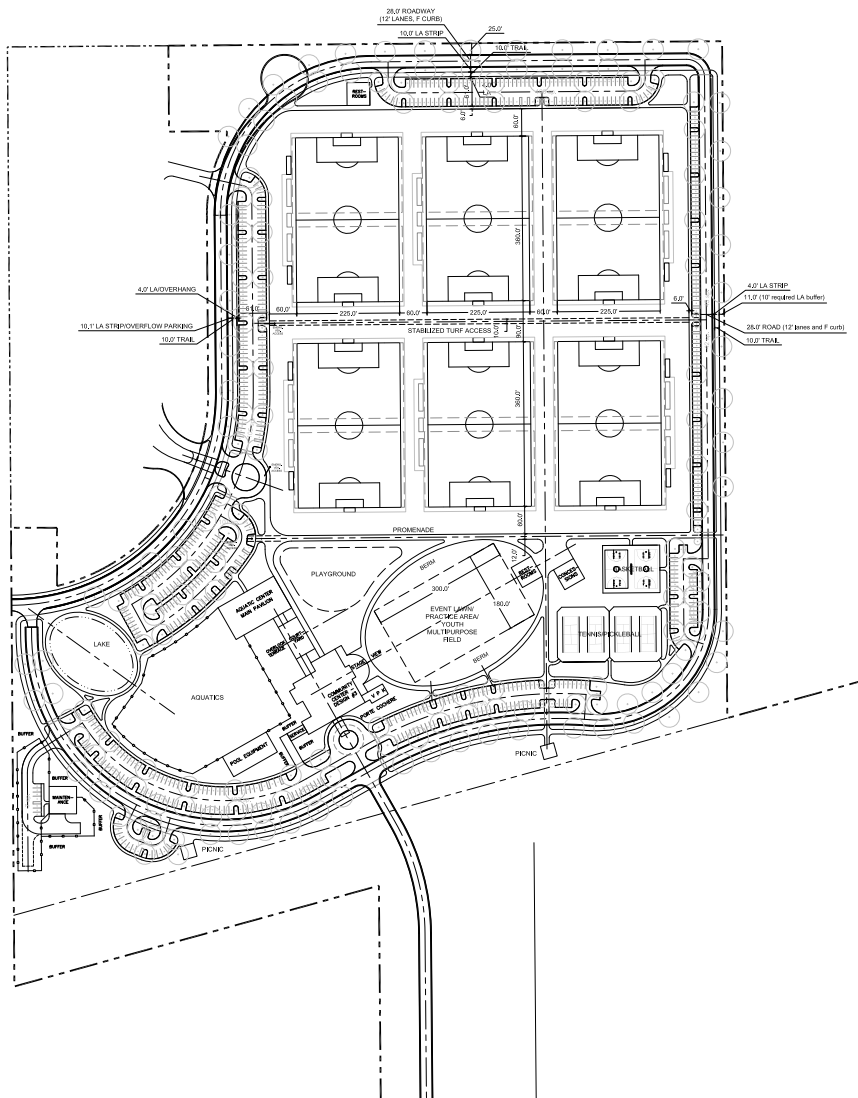

Barth Associates Role: Master Planner, Facilitator

Project Budget: \$56,000

Project Completion Date: Current

Barth Associates is providing park master planning and facilitation services to Grady Minor (Prime Consultant) and Collier County for the +/- 159 acre-Big Corkscrew Island Park in Collier County. Barth Associates is facilitating workshops with the County staff, the consulting team, and area residents;

developing alternative concepts for Phase 1 design; and refining the preferred concept into a preliminary site plan for design and construction. We will continue to facilitate public workshops and provide design reviews during the 30%, 60% and 90% phases of design.
